

Conditions of Use

After registration is completed, you can access FACT24 free of charge for 30 days.

During this period the Alerting and Crisis Management Service can be used exclusively for test purposes, i.e. trial alerts, and for a total volume of 250 calls. Use of FACT24 for alerts in genuine emergencies during this period is prohibited. F24 AG accepts no liability whatsoever during this period.

Use of the service for test purposes is completely without obligation and terminates automatically. You do not need to cancel the service.
